EDUCATION

Team Treehouse (On going)
- Front End Development

Greenwich Community College (2010-2011)
- A levels

Bexleyheath School (2006- 2010)
- AS & A levels
- 9 GCSEs

PERSONAL PROJECTS

Self-taught programming by developing personal projects in my free time.

For example - Weather App:
Developed a weather app with Visual Studio Code that displays weather forecast of countries worldwide. Implemented the app with API to extract weather forecast from Met Office database. User can type in any country and the weather information will be displayed.
Technologies: HTML5, CSS3 and JavaScript
Source Code: mingjae92.github.io/weatherapp/
